

Welcomes You!

Kelly Greene, Rental Manager
877-FLA-KEYS (305-852-0211)

This booklet includes some of our favorite places!

Our guests really appreciate this restaurant guide we provide as they check-in. B = Breakfast, L = Lunch, D = Dinner, ** means this is one of our favorite places, O/S = Oceanside, B/S = Bayside, B/A = Boating accessible.

****Lazy Days:** (L, D) mm 79.9 O/S; 664-5256; 2nd floor oceanfront dining, a beautiful view. Get a reservation for the balcony and eat outside. In the summer, ask for a table on the balcony but in the shade. B/A

Hungry Tarpon: (B, L,) mm 77.5 B/S; 664-0535; This is fun little Keys diner. It's a "dive" but the food is really good. It's a popular local favorite. Try their unusual breakfast specials. Good burgers. Eat, then go have some fun feeding the Tarpon out back at Robbie's... those fish are BIG, imagine catching one on a fly rod! B/A.

****Midway Café & Coffee Bar:** (B, L) mm 80.4 O/S; 664-2622; They have good homemade food and the best coffee (which they roast). This is Islamorada's version of Starbucks but with high quality food. Breakfast & lunch served 6:00am – 3:00pm Thurs.-Sat., 7:00am-2:00pm Sunday, closed Wednesday. Smoothies are super too.

****Uncle's:** (D) mm 80.9 O/S; 664-4402; One of Jim's favorite dinner places! They don't have a view, but the food and the service is excellent. Known for Tuna, try the "Tuna Teriyaki" (it's a bit hot); excellent local fish preparations; usually a wild game dish on the menu too. Bring an appetite; they give you tons-o-food! Arrive early and enjoy the antics of the bartender... you'll know what I mean after you meet him.

Spanish Gardens Café: mm 81 O/S, (L, D); A small deli and restaurant with fine cheeses and meats with fresh bread or have something yummy from their simple menu featuring seafood paella, specialty salads and sandwiches. There are also

smaller items available, coffee and fresh squeezed juices.

Green Turtle Inn: (B, L, D) mm 81 O/S; 664-2006; Completely renovated to include the all new restaurant plus art gallery and fly-fishing shop. They also serve Starbucks coffee. Carry-out too. It's real nice inside; let us know what you think!

Islamorada Fish Company: (L,D) mm 81.5 B/S; 664-9271; Fun, must-do lunch while you are here... eat outside on their dock... fish in a basket style... beautiful bay view AND it's a working seafood market. Shop at the Worldwide Sportsman next door before or after dining. If it's Stone Crab season, don't leave without trying some... they're fully cooked, get the honey mustard sauce and a wooden mallet to break open the shells, yum... sweet meat! The boats come and go daily with their fresh catch in season. B/A

Zane Grey: (L, D) mm 81.5 B/S, located inside the World Wide Sportsman, 664-4244. Excellent view of the bay from the upstairs balcony, light lunch – dinner, cigar bar, entertainment (sometimes). B/A

****Morada Bay:** (L, D) mm 81.5 B/S; 664-0604; Go here for nightly sunset celebration. One of our favorite hangouts for a cocktail and/or dinner. Wear your sandals so you can walk barefoot on the beach. Watch the sunset sitting in an Adirondack chair while you wait for your table. "Full Moon Party," monthly starting @ 7pm on the full moon. Tip: eat at the bar if it's crowded instead of waiting for a table. It's a fun place, wonderful sunsets. Take your camera. Kids welcome.

****Pierre's:** (D) mm 81.5 B/S; 664-3225; The elegant sister restaurant to Morada Bay, gourmet dining. Start with a cocktail downstairs, so you can see their beautiful bay front bar and porch... a work of art. Request a table on the balcony, for best dining experience. Reservations recommended. Time your dining with the sunset. The place to go for a very special dining experience. Expensive.

Islamorada Restaurant & Bakery (Bob's Bunz): (B, L) mm 81 B/S; 664-8363; Excellent basic All-American eggs and bacon breakfast. Try their famous cinnamon buns with cream cheese frosting (get it... Bob's Bunz!) ... a side of bacon... coffee... yes! (go early, they sell-out fast!). Carryout bakery items. Good basic lunch too. Open 6am – 2pm.

Tower of Pizza Restaurant: (L, D) mm 81.5 B/S; 664-8216; Basic good to great pizza – they are generous with the cheese! Eat in or take out. Excellent Italian entrees too, free delivery after 4pm. Good food.

Kaiyo: (L, D) mm 81.7 O/S; 664-5556; If you like sushi, this is the place. Beautiful interior design. Try the Islamorada roll. It's fun to eat at the bar rather than wait for a table. Something for everybody, not just sushi.

The Lor-e-lei: (B, L, D) mm 81.9 B/S; 664-4656: The Lorelei was destroyed by hurricane Wilma but the cabana is open with a new chef and updated menu. A nice place to go for lunch and a traditional place for the nightly sunset celebration. B/A

Mangrove Mike's Café: (B, L) mm 82 B/S; 664-8022. Another breakfast and lunch spot, like a diner, serving 6am – 2pm; daily lunch specials start at 11am. Local's hangout. Excellent breakfast and lunch.

Taki Outi: (L, D) mm 82 O/S; 664-0600; Your basic Chinese carryout with free delivery. Sesame chicken is good.

Athens Café & Grill: (L, D) mm 82 O/S; 664-0848; Greek food in the Keys? Yes, and its real good. Mostly carry out but a few tables inside. They deliver. Gyros are authentic and excellent! (Not open on Sundays.)

Whistle Stop: (L, D) mm 82.5, 664-4246: Best place for late night eats, serving food until 3 am Monday through Sunday. This is also our local liquor store next door.

Islamorada Village Gourmet: (B, L, D) mm 82.7 O/S; 664-4030. Opens at 5:30 am for breakfast. This is a little gourmet food shop, diner, and carryout. You can eat outside in the little courtyard next to the restaurant. Good place for dinner if you don't want to wait in line at the other restaurants.

Bentley's: (L, D) mm 82.8 O/S; 664-9094. One of the older establishments; feels like a TGI Fridays. Some people really like this place. To me the food and service seems just ok.

****Ziggie and Mad Dog's:** (D) mm 83 B/S; 664-3391. The "Ziggie" name has lots of Islamorada history. It just re-opened as a steakhouse with new owners. The food and service is excellent! Try the filet, its huge (excellent fish too). White linens, nice atmosphere, excellent wine list. John will usually greet you. Best new restaurant this year. Yum.

Whale Harbor Seafood Buffet & Raw Bar: (D) mm 83.5 O/S; 664-4959; B/A. They feature their famous all-you-can-eat seafood dinner. Most of their seafood on the buffet is not local but it is still popular. If you're interested in watching the fleets come in, try a seat at **Wahoos Pub & Grill** upstairs at Whale Harbor.

Braza Leña: (D) mm 83.5 O/S; 664-4940; B/A. A Brazilian Steak-House. A grand selection of all you can eat meats and a large salad bar.

Hog Heaven Sports Bar & Grill: (L, D) mm 85 O/S; 664-9669. Full menu available until 4am, great burgers! Also pool tables & shuffleboard.

****Island Grill :**(L, D) mm 85.5 O/S; 664-8400; B/A. Neat little Keys-style ocean side eatery... just this side of the drawbridge. Live Entertainment. Indoor or outdoor seating. Everything we tried on the menu is excellent. Inside tip - eat at the bar if it's crowded instead of waiting for a table. Go by boat too. A fun place to eat.

Chillie-Willies: (L, D) mm 86.7 O/S; 852-8786. Large sports bar & grill plus huge game room. They have 14 televisions so if you are looking for a certain sports game, chances are they can tune it in. The menu and food is excellent for this type of place. Try the hot wings or BBQ ribs.

Made to Order: (B, L,D) mm 90 O/S; 852-3251. Opens at 7:00am – 2pm - Awesome homemade breakfast and lunches. All of the Bakery & Pastry items are made from scratch. Desserts to die for -YUMMY. You will enjoy the hometown atmosphere. Dinner - Seasonal - Call for dinner schedules.

3RD WED OF EACH MONTH MM75.9 TO MM73

Every Residential unit and commercial business within the Village shall subscribe for solid waste collection and disposal services from the Village or its franchisee.

All residential units are entitled to receive the following services as part of their yearly fee:

- **Garbage-** pickup, containerized or bagged, two (2) days per week.
- On second garbage pickup day each week residents are allowed to put out up to 3 small household goods, or appliances such as air conditioners, refrigerators or

furniture that are less than 50 pounds and can be placed in rear loading garbage truck.

- **Vegetative Material-** Yard trash resulting from normal yard and landscape maintenance is collected one (1) day a week. Limited to six (6) containers or tied bundles or bags less than 50 pounds each. Trimmings no longer than (4) feet in length or (4) inches in diameter will be picked up.
- **Bulk trash-** one (1) day a month. This includes vegetative items exceeding weekly yard trash pickup restrictions. Items must be cut into lengths of no more than (4) feet. This includes pickup of large household items or appliances.
- **Containerized Recycling-** picked up weekly on Wednesday for residential and Saturday for commercial.

All items for pickup must be placed roadside no later than 7:00 AM of the scheduled pick up day. NO EXCEPTIONS.

No items shall be placed out for pickup earlier than the day preceding such pickup. Containers shall be moved back to the residence no later than 8:00 PM of the pickup day. Construction debris such as steel, brick, concrete, roofing material, pipe, wall board, lumber etc., will not be provided as a Village service. Small home repair jobs not exceeding one (1) cubic yard of debris will be collected with Bulk pickup. Material including rocks, soils, stumps, trunks, or other matter that normally results from land clearing or development will not be provided as a Village service. Privately contracted landscaping services are responsible for removal of debris in excess of the weekly yard trash allotment or monthly bulk trash exceeding three (3) cubic yards. Commercial businesses are required to subscribe to the quantity of services that precludes garbage accumulation above the sides of the containers provided. All residents and commercial establishments must have appropriate garbage collection service. Commercial businesses are not allowed pickups of non-containerized solid waste.
